

# Training

## The Florida Certification Board

The Florida Certification Board (FCB) invites you to attend some training that will assist you with the certification process. CEUs earned can be used for initial application in the area of addiction or counseling education. Clinical Supervision workshops can be used for upgrade or renewal purposes. People of minority status are encouraged to apply.

**BASIC ORIENTATION.** This training will provide an overview of the certification process from the initial stages, through the oral examination. The following will be discussed: application/portfolio process, written test, upgrades, oral exam, and the renewal process. **5 CEUs**  
**Price: \$40 - includes the application/portfolio packet/\$15 if applicant already has application.**

**FLORIDA SPECIFIC WRITTEN REVIEW.** This 2-day training is a basic review course covering the 12-core functions. Beginning addiction professionals and those wanting a refresher prior to taking the Florida Specific exam are encouraged to take this training. The Florida Specific exam is required for all levels of certification. **14 CEUs**  
**Price: \$120 - includes the Florida Specific Study Guide/\$50 if applicant already has study guide.**
